Chromebooks Update

Kristin Hamann, PTO President

- 3/4/5 Staff asked for 90 chrome books and \$36k
- PTO Community voted to purchase chromebooks for the \$36k
- Since then the Innovation Grant has been applied for 256 chrome books - BUT that is only for 3rd and 4th grade.
- Should we offering to the teaching staff for 90 books for the 5th grade or reallocate or revote for a different legacy gift...

- 3rd and 4th grade attendance 124 kids
- Can we let the teachers decide where the extra

- chromebooks go?
- Cheryl explains why 5th grade was not included on the Grant application
- Will the district provide more computers each school year? Cheryl notes that future technology gains will be done through the grant/application process.
- Wendy notes it seems that we still have a desire as a community to purchase the 90 chromebooks now.
- Brenda -moves to release the funds to purchase and allow the teachers to choose where they go in the school; Jason T. 2nd the motion.
