		-	\$4500 Stand Alone System - fantatsic system for the use of the school.
		-	Kristin proposes the sound system from Pro Sound and lighting be approved with formal

Art Carts Update/Proposal/Vote Kristin Hamann, PTO President

- vote for \$4500
- Brenda makes the motion
- Tony 2nds
- all in favor
- motion passed
- See attached Proposal for details
- This has been an ongoing two year discussion per funds raised by a Bingo night. In February we received a grant for Art Carts and supplies in our school.
- has been reviewed over several years due to the needs of the teachers and current curriculum.
- Current proposal is 7 carts total for each grade and ALC classes. Bins will also be purchased. To help with stocking of supplies their would be supplies purchased with left over from grant and then the PTO would add a line to the budget to provide a stipend for teachers to use.
- Tony noted that the line item in the budget needs to be particular to the art fund only and be more regulated.
-
- Questions:
- is this for general art - yes it is; but this is to be in addition supplies like brushes, googlie eyes, pompoms... and specialized craft needs.
- Do our teachers currently still want this ?
- Is there a commitment from our teachers to use this and do they feel like this is supported by the district?
-

- Sheri motioned to purchase the 7 carts using the grant money and then the extra money will come from the bingo money
- Wendy 2nd
- all in favor
