

PTO Meeting—August 22, 2018 3:45 PM

Introductions—Katie

Principal's Report—Sheila

*Ms. Donnelly was just added from another Beaverton school and will be teaching kindergarten.

*Ms. Cook from third grade resigned. Mrs. Yamada was hired to replace Ms. Cook.

*Mrs. Heatherly is taking a one year absence. There will be a long term sub in the building. Because of this, choir will not be happening this year.

*First grade's numbers are at 28-29. The district is waiting to see how many students actually show up. After the year starts, they will look at how many students show up, and the district will decide if there needs to be another teacher added.

*Global Citizen's Committee will be continuing.

*Tech Committee will be ending.

*Parent informational meetings will now be in the morning from 8:00-9:00, rather than before PTO meetings.

*There will be about five of them.

*The first one will be a health focus around Aaron's Law.

*Everyone is really looking forward to a new school year!

Treasurer's Report—Nicole

*See Report

School Biz—Nicole

*There was a reimbursement that was given to the PTO for the school supply orders from last year. The PTO voted to use that money to purchase school supplies for families that need them.

*Mrs. Rae will help distribute them.

*There are 3 kits per grade, and 1 kit for each ALC.

*There is \$110 left over for teachers to use if they need extra supplies.

Back to School Picnic--Katie

*Volunteer table will be different

*We are encouraging all committee chairs to come to the picnic and talk about what their committee/activity does. The purpose of this is to help motivate more parents to sign up.

*Boy scouts and girl scouts will do bottle rockets.

*There will be two food trucks:

*Kona Shaved Ice and Home Plate Sliders

*PTO will be selling snacks

*Jo made a Google Doc for volunteer time slots that will be blasted out this week.

*There will be some Chromebooks out for people to do their background checks.

*We will need 8 tables or so

*If the air quality is low, then we may have to move it indoors.

Jog-a-thon--Jenea

*There are a variety of Jogathon prizes including a Timbers signed ball, Voicebox Karaoke, American Girl Doll, and even more.

*There might be a bronze, silver, and gold level for prizes.

*The goal last year was \$35,000, but we made over \$40,000. They are thinking that the new goal should be \$40,000 to \$45,000

*If they meet the goal, then Jennifer and Sheila will have something silly that they are doing.

*They have received \$6,000 in sponsorships.

*Background Checks for spectators are not necessary, but if you choose to run, then you will need a background check. Siblings will be able to attend if you are not volunteering.

*We will need parents to monitor the perimeter of the track to ensure that students do not leave school property.

*There will be extra Chromebooks out for volunteers to sign in because it will be such a busy day.

Welcome Coffee—Katie

*We need people available to be there from PTO to introduce themselves.

*We will pay for coffee and donuts out of the PTO budget.

*There will be sign-up sheets for volunteering.

PTO Website

*We are working on updating the website: <http://www.oakhillspto.org/>

*Take a look at the site and see if there are any changes you think should be made.

*If you see any changes that need to be made, contact Charli and Spring at vicepresident@oakhillspto.org

Movie Night--Kim

*September 28th from 6:00-8:00

*We will be selling pizza, beverages, snacks, and popcorn.

*Communication will start going out the second week of school.

Theater Performance—Jo

*A parent would like to help support a theater performance for the school.

*Shelia said that if he would like to do this, he would have to do it as an after school club, and he would have to provide the insurance for it.

Conference Meals—Katie

*We need someone to take this on!

*We will look at getting donations from Outback for this.

Volunteers—Katie

*Sheila, Jen, and Katie have gone through all of the activities to see if they are sibling friendly. There will be a list that goes out to the parents in one of Sheila's newsletters.

*If you are doing a task and volunteering, then you cannot have a sibling with you. But if you are a spectator, then you do not need to have your background check and you can bring a younger sibling with you.

*Siblings will be able to attend jog-a-thon and field day if their parent is a spectator and not volunteering.

*Jen and Sheila are in talks with Oak Hills Church to have them watch siblings, so parents can volunteer.
