

The Oak Hills Elementary Library

NEEDS YOUR HELP

Could You Spare One Hour A Week To Help Out in Our School Library?

We are looking for weekly volunteers at the Oak Hills Library to spend just one hour a week of their time to help our wonderful Assistant Librarian, Mrs. Williams, maintain this valuable resource to our school.

Our needs are just a little different this year. In addition to shelving books and maintaining the bookcases, we also need assistance with student requests during Specials. A training session will be held for all new volunteers to get acquainted with the ins and outs of the library.

The following Volunteer Schedule shows what days and times still need to be filled. Those time slots can also be shared and alternated by two people, as well. Every little bit helps and is very much appreciated!!

Please contact Kathleen Fajardo at williamsfajardo@yahoo.com to sign up for a time slot and be added to the volunteer mailing list.

Oak Hills Library Volunteer Schedule
