Principal's message,

Thao Do-Gwilliam

1. Thank you to all volunteers
2. Construction Update:
 - a. Currently work will begin on library and new tech space first
 - b. District plans to place portables for sale beginning in spring
 - c. A new covered play area will also be built
3. Scooter Town
 - a. Partnership with district to bring road and pedestrian safety activity to Oak Hills
4. American Heart Association assembly on Jan 30
 - a. Focus on cardio and other health info so students can better understand their own health better
 - b. There will be a small fundraising component though it is not the focus

Erika Hansen

1. Testing for ELL students (OELPA) is coming Jan 21-April
 - a. Traditionally teachers have administered the test which disrupts classroom flow but this year we are able to hire a proctor for the OELPA so that instruction will not be effected through the testing period
2. Secure drill
 - a. This is a "business as usual" within the building procedure but students are brought in from the yard
