Budget

- PTO may not be able to fund items as full as last year

2021-2022 School year

- Discussed ways to serve the families and community in addition to supporting the teachers and school: reusable signage, community events partnering with other community organizations (carnival, spaghetti feed, safety night, etc), additional clubs/events (spelling bee, geography club, etc).
- Would like new fresh ideas from the community - Jo will create a Google Form to put in the newsletter to capture input
- Jo also discussed the benefit to having a more comprehensive system for communication/emails, archiving of documents, etc (Google Suite?). Will bring info to PTO mtg next week.
