June PTO meeting minute approval:

Motion to approve : Angie

2nd: Colleen

Thao and Erika

- **Volunteer Opportunities:**

Help with meal prep shift 10 - 11:30am, 2 or 3 day shifts

Picture Day help needed

- **Covid precautions:**

Must follow ODE and district guidelines to minimize

Constant reminders with masks

Seating charts

Lunch outside with their pod - not enough supervision to eat in the classroom

Social distance reminders all day

PE consistently outside

No singing in music

Recess zones

Contact tracing protocols - school nurse is contacted with presumptive cases.

Negative tests do not change return dates

Students who need to quarantine - all devices have been "checked out" and students will be able to device at home. Teachers will try to find ways to connect with children quarantining. The district will have some resources for quarantining kids.

BSD offers testing on site - some parameters, reach out to school if interested

Dashboard is improving to outline the number of positive cases and number of students quarantining.

Tablemates are not automatically considered "close contacts"
Intermingling - families encouraged to leave campus as soon as possible
School nurse is shared with multiple schools
Thao will reach out to individuals with further questions

- Rain will be coming. Lunch schedule will have to evolve. Part will be inside and outside so that there's enough covered play space.
Also shifting PE indoors. Kids will get wet. Please label clothing
- First virtual assembly on Fri, wear spirit red and blue for otter pride!

Budget (Nicole):

Please send white envelopes in by 9/29...or anytime really

Here is a look at what we were able to fund and accomplish with last years budget:

The Technology Specialists line was used to purchase a new laptop for Mrs. Vallee to help her make and edit all the videos used throughout the year as kids were in CDL

The \$652 raised last year through the white envelopes for On The Move went to purchasing the marathon shirts for the Marathon Kids program that the PE Specialists put on

Music Specialists used \$1761 and were able to purchase brand new recorders for kids to ensure that kids had an instrument at home.

Music Specialist used the remaining \$760 of their budget to buy supplies for music kits

PE Specialist used just over \$1500 of PE funds and all \$750 of recess funds to purchase replacements and extras of equipment pieces like tether balls, dodgeballs, footballs, soccer balls, inside pieces like sacks, spots, volleyballs,

foam dodgeballs, and they made up the remaining funds needed to cover the rest of their marathon shirts. They were also able to purchase a new all terrain cart to help haul equipment back and forth between the gym and field area.

\$300 was used to bring in some virtual assemblies for the kids to meet and greet with a couple authors

\$6385 was spent from the school fund line item to replace primary books for the lower grades of the school as many books had gone out and not many had been returned.

\$2000 was granted to the 5th grade celebration to assist with the virtual party, goody bag supplies, 5th grade t-shirts, and memory books

\$1559 was spent out of the school fund line item to purchase supplies in preparation for returning to hybrid. This included things like basic supplies of pencils, crayons, and markers so community sharing was not happening.

RFF requests were approved for the 3rd grade teachers to purchase books for their research unit - \$548; Kindergarten teachers purchased lap desks for students to have a secondary option to work at during

hybrid - \$360; 1st grade teachers purchased a variety of fidget bands, sensory strips, and other items to help with wiggles during hybrid - \$730; A 4th grade teacher purchased fraction tiles and book sets for their

classroom - \$200; Kindergarten teachers bought wiggle stools for students coming back to hybrid - \$803; 2nd grade teachers were able to purchase entire sets of culturally diverse books for each classroom;
among several other approvals.

More Volunteer updates (Angie)

- Please update info and upload vaccination card at myimpact.org
- Committees needed for Teacher conference meal coordination
- Fundraising: Dinner Night Outs (McTeachers night in Oct, Chipotle in Nov, The Meeting Place in Dec)
- Movie nights to go: Opportunity to raise money for 5th grade celebration
- Snack pantry: Updated by Angie and Lark

Jog-a thon: (Megan)

Virtually as a family, on-site for kids

Cash-less as much as possible

Through PE, possibly a more than one day event

Anyone willing to help with Jog a thon?? Please reachout to a PTO board member

Board positions continue to be available - please reach out if interested!

Enrichment Fund - The PTO will be looking for input for funds that were raised previously that need to be reallocated. Stay tuned.

Meeting adjourned 7:50pm
